Professional Career

I started my career working in the litigation department of an international insurance company for 5 years. I subsequently moved into Forensic Accountancy when I started working for Frenkels and I have now specialised for over 15 years in this field.

I have created a number of Content Management Systems databases and am particularly experienced in managing large amounts of data.

Areas of Forensic Accountancy Specialisation

- ✓ Personal Injury
- ✓ Employer's Liability
- ✓ Public Liability
- ✓ Business Interruption
- ✓ Fraud Investigations
- ✓ Interest Rates Swaps Misselling Consequential Loss Claims
- ✓ Contractual and Commercial Disputes
- ✓ Tax Investigations
- ✓ Fatal Accident Cases
- ✓ Industrial Diseases
- ✓ Pension Losses

Court Experience

I have given evidence at Court on several occasions.
